The following matters will be reviewed and voted upon at this meeting:

Under recent changes to Canadian security rules, Canadian companies are no longer required to distribute physical copies of certain annual meeting related materials such as proxy circulars to their investors. Instead, they may post electronic versions of such material on a website for investor review. This process, known as “notice-and-access”, directly benefits the company through a substantial reduction in both postage and material costs and also helps the environment through a decrease in paper documents that are ultimately discarded.

Electronic copies of investor materials related to this meeting may therefore be found at and downloaded from www.meetingdocuments.com/ast/asr or www.sedar.com. We have added features that will make searching for relevant sections and specific items a much easier process than finding this information in the paper versions of these documents.

You have a number of ways to vote your shares, and these are detailed on the form of proxy or voting instruction form included with this package. However you choose to vote, we must receive your vote by 10:00 am (Denver Time) on June 12, 2019. **CDI holders should pay special attention to the voting deadline in the CDI Voting Instruction Form.** We also strongly encourage you to first review the matters under discussion for the meeting as described in our proxy circular at www.meetingdocuments.com/ast/asr or www.sedar.com.

Should you wish to receive paper copies of investor materials related to this meeting, or have any questions, please contact us at 1-888-433-6443 or fulfilment@astfinancial.com prior to May 31, 2019 and we will send them within three business days, giving you sufficient time to vote your proxy. Following the meeting the documents will remain available at the website listed above for a period of one year.
